

德明政府中学
Dunman High School

**2025 Direct School Admission-Secondary (DSA-Sec) Exercise
- Admission to Year One 2026**

Dunman High School is inviting promising **Primary Six** students to join us in January next year. Our 6-year Integrated Programme prepares the students for the A-Level Examinations without them having to go through the O-Level Examinations. The programme provides academically talented students with an enriched curriculum that aims to develop intellectual depth and a passion for life and learning; inculcate active citizenry and develop a global outlook; build strong bilingual proficiency and gain a deep understanding of Chinese culture. Dunmanians are morally upright leaders equipped with skills to succeed in the future.

If you are currently studying in a Singapore Primary School or equivalent and would like the opportunity to become a valuable member of our Dunmanian family, you may consider applying for admission through Direct School Admission-Secondary (DSA-Sec). Participation in DSA-Sec provides an alternative pathway for seeking admission to Dunman High School based on a diverse range of specific academic and non-academic achievements and talents. You will find important information about Dunman High School DSA-Sec on this website.
